SUPPLEMENTARY INFORMATION: On April 5, June 21, 28, July 26, 1996, the Committee for Purchase From People Who Are Blind or Severely Disabled published notices (61 F.R. 15225, 31927, 33710 and 39118) of proposed additions to the Procurement List.

After consideration of the material presented to it concerning capability of qualified nonprofit agencies to provide the commodities and services and impact of the additions on the current or most recent contractors, the Committee has determined that the commodities and services listed below are suitable for procurement by the Federal Government under 41 U.S.C. 46-48c and 41 CFR 51-2.4.

I certify that the following action will not have a significant impact on a substantial number of small entities. The major factors considered for this certification were:

1. The action will not result in any additional reporting, recordkeeping or other compliance requirements for small entities other than the small organizations that will furnish the commodities and services to the Government.

2. The action will not have a severe economic impact on current contractors for the commodity and services.

3. The action will result in authorizing small entities to furnish the commodities and services to the Government.

4. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O'Day Act (41 U.S.C. 46-48c) in connection with the commodities and services proposed for addition to the Procurement List. Accordingly, the following commodities and services are hereby added to the Procurement List:

Procurement List Addition

AGENCY: Committee for Purchase From People Who Are Blind or Severely Disabled.

ACTION: Addition to the Procurement List.

SUMMARY: This action adds to the Procurement List a commodity to be furnished by nonprofit agencies employing persons who are blind or have other severe disabilities.

EFFECTIVE DATE: October 7, 1996.

ADDRESSES: Committee for Purchase From People Who Are Blind or Severely Disabled, Crystal Square 3, Suite 403, 1735 Jefferson Davis Highway, Arlington, Virginia 22202-3461.

FOR FURTHER INFORMATION CONTACT: Beverly Milkman (703) 603-7740.

SUPPLEMENTARY INFORMATION: On May 24, 1996, the Committee for Purchase From People Who Are Blind or Severely Disabled published notices (61 FR 26266) of proposed addition to the Procurement List. Comments were received from the current contractor for the typewriter ribbon in response to a request for sales data. The contractor indicated that the Government contract for this ribbon represented a significant portion of the company's sales, and that loss of the contract would require personnel layoffs which would have adverse effects on the small community where the contractor is located. In order to mitigate this impact, the Committee decided to add only 40 percent of the Government requirement for the ribbon to the Procurement List rather than the 100 percent originally contemplated. The impact of this reduced addition on the contractor is below the percentage which the Committee considers to be severe adverse impact and should not

result in the level of impact predicted by the contractor.

After consideration of the material presented to it concerning capability of qualified nonprofit agencies to provide the commodities and impact of the addition on the current or most recent contractors, the Committee has determined that the commodity listed below are suitable for procurement by the Federal Government under 41 U.S.C. 46-48c and 41 CFR 51-2.4.

I certify that the following action will not have a significant impact on a substantial number of small entities. The major factors considered for this certification were:

1. The action will not result in any additional reporting, recordkeeping or other compliance requirements for small entities other than the small organizations that will furnish the commodity to the Government.

2. The action will not have a severe economic impact on current contractors for the commodity.

3. The action will result in authorizing small entities to furnish the commodity to the Government.

4. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O'Day Act (41 U.S.C. 46-48c) in connection with the commodity proposed for addition to the Procurement List.

Accordingly, the following commodity is hereby added to the Procurement List:

Ribbon, Typewriter

7510-01-219-2309

(40% of the Government's requirement)

This action does not affect current contracts awarded prior to the effective date of this addition or options that may be exercised under those contracts.

Executive Director.
